Young Scotland & Northern Ireland Programme 2024

30 January – 2 February
Ayr

The Young Programme's aims are to **enhance communication skills, inspire confidence, and broaden the intellectual horizons of people in the early years of their careers**. These core objectives are at the heart of everything we do here at the Young Programme charity.

Although the minimum age for our events is 18, **there is no upper age limit**: delegates may be young in years, or in terms of professional development, or both. People who have come late to a career, for example, are positively encouraged irrespective of age.

A central part of all of our courses is the presentation by each delegate of a 900-word paper ("Argument") on a topic – of the delegate's choice – of current interest or controversy. Researched, written and submitted in advance, the paper is delivered during the event. **Our coaches provide advice – in a written briefing before the programme and then in rehearsal before the papers are presented.**

And there's much more, including:

- guest speakers sharing their extraordinary life experiences in the **Testimony** sessions
- the **90 Second Challenge**, in which delegates ask themselves a question on a subject of their own choice and answer it without notes
- the **Group Challenge**, in which delegates are divided into small discussion groups, allocated a topic, and given a short time to prepare an informal presentation
- and **Yes, No, Don't Know**, the major debate on a big issue of the day

The entire event adds up to a rich and unique experience.

It has become a Young Programme tradition to start each new year with an international vibe, bringing together two simultaneous events under the one roof: the annual Young Scotland and Northern Ireland Programme and the first Young Ireland Programme of the year. See next page for details...

Everyone who completes the course will receive a certificate – in recognition of an outstanding achievement.
